

NRAMM
National Resource for Automated Molecular Microscopy
Supported by National Center for Research Resources

A Practical Course in Molecular Microscopy

November 2-10, 2005

Center for Integrative Molecular Biosciences
The Scripps Research Institute

<http://nramm.scripps.edu/>

This course would not have been possible without the generous support of:

National Institute of Health
National Center for Research Resources
(P41 RR017573 and R13 RR018951)

<http://www.ncrr.nih.gov/>

The Agouron Institute
1055 E. Colorado Blvd
Pasadena, CA 91106

Instructors:

Christopher Arthur
Francisco Asturias
Tim Baker
Bill Baxter
Nicolas Boisset
Charles L. Brooks, III
Bridget Carragher
Josh Chappie
Anchi Cheng
Wah Chiu
Parag Chowdbury
Thanh Dang
David de Rosier
Kelly Dryden
Joachim Frank

Yoshinori Fujiyoshi
Robert M. Glaeser
Niko Grigorieff
Dorit Hanein
Grant Jensen
John E. Johnson
Catherine L. Lawson
Steven Ludtke
Philip Mercurio
Ron Milligan
Eva Nogales
Pawel Penczek
Barbie Pornillos
Clint Potter
Jim Pulokas

Joel Quispe
Michael G. Rossmann
Michel Sanner
Tanvir Shaikh
Scott Stagg
Vinzenz Unger
Nigel Unwin
Niels Volkmann
Thomas Walz
Andrew Ward
Liz Wilson-Kubalek
Xiaodong Yan
Mark Yeager
Craig Yoshioka

National Resource for Automated Molecular Microscopy
Resource for the Visualization of Biological Complexity
Three-Dimensional Electron Microscopy of Macromolecules
Multiscale Modeling Tools for Structural Biology

Who to ask for help:

Jill Krawczyk

Phil Mercurio

Bridget Carragher
Clint Potter
Ron Milligan

The Rules:

1. Tables and binders are for registered students.
2. Handouts:
Students: Some handouts will be in your binder and any new ones will be ON hole punched paper in a stack at the *front* of the room each day.

Everyone else: Pick up handouts from the stack at *entrance* to room each day. If we run out please borrow a handout from someone else and make your own copies. Please don't ask Jill for extra copies.

The handouts will all eventually be available on the course web site along with audio recordings of each of the lectures..
3. Please wear your badge!
Visitors please sign in and get a badge.
Meals are provided for registered students, instructors and sponsors (yellow or blue or green dots on badges).
4. Students: Please fill out your evaluations forms each day.
First day set is in your binder, other days will be handed out each morning.
